

Pumpkin Soup

On Thursday (tomorrow!) at lunchtime, the Gardening Club is going to present to you Pumpkin Soup, made by us with a few pumpkins from our very own school garden. The Pumpkin Soup will cost 50c. The money will go back into new plants for the garden.

Please bring your own cup from home that will prevent you from burning your hands. The delicious soup will be served outside the basement.

We hope you enjoy this Pumpkin Soup.

Thank You.

Sarah D'Ath & all the Garden Club
